

Morden news for June 2010

COMMUNITY

CHURCH FLOWERS 5 & 12 June Hazel Beal, 19&26 June Trixie Lye, 3&10 July Liz Moorey.

HIGHWOOD GARDENS were open on Sunday 9 May in aid of Morden Church. Despite the cold wind, hardy garden lovers from near and far came to see the rhododendrons and azalias in their first flush and the woodland floor was spectacular with a haze of intense blue of the bluebells. Thank you to everyone who helped by setting up, making cakes, serving teas, directing cars and all the other jobs that are necessary for a successful afternoon. Especial thanks to the Drax family for opening the gardens for our fundraising.

The next meeting will be on Monday 12 July at 7:30 pm. All welcome.
